PROGRAM INFORMATION

WWW.SBDALLSTARS.COM

Thank you for your interest in South Bay Divas. We look forward to you joining our family for the 2022-2023 season. At SBD, we pride ourselves on five key points that we feel set us apart from other programs:

1. We are a D1 program, but have a small gym, family feel with great friendships, program pride and camaraderie across our two locations.
2. Every athlete, regardless of location, will work with ALL SBD coaches as each of our staff members brings a dynamic and skill set that benefits each aspect of the athlete experience.
3. The details matter at every program and age level, as we place consistent emphasis on technique and proper progression. Our athletes are well-rounded and are assets in every area of the routine.
4. Our athletes lives outside of the gym are just as important to us. Throughout the season, you can find our staff supporting our athletes by attending Friday night football games, quinceñeras, sweet sixteens, performances and academic events to name a few.
5. As athletes grow in our program, we see strong leadership skills develop. Many of these athletes become SBD staff members and positively impact our younger SBD athletes.

SBD is known for our innovative, boundary pushing routines that are delivered with technical ease and jaw dropping performance factors. Over the last decade, we have won a plethora of innovative choreography awards, division championships, level and event grand championships, NCA titles, as well as D1 and D2 Summit titles. We do not pre-select teams before evaluations; instead we assess the talent during the evaluation process and create teams based on where we see the greatest potential for development and competitive success. Our goal is to create passionate individuals with like minded purpose, thus each team will be composed of athletes with similar skill sets, mental maturity and work ethic.

With open arms and a welcoming heart, we hope your athlete has confidence and finds their forever home here at SBD!

GENERAL PROGRAM POLICIES

- **Communication:** Our staff members always have your athlete's best interest in mind when making decisions and are open to discussing any questions or concerns you may have. To guarantee that the appropriate staff member(s) are involved and the best method of communication is selected to resolve any concerns, we require email communication to be sent to your SBD location. Once the email is received an SBD staff member will follow up within 1-3 business days.
- **Absences:** An "absent request" form must be submitted TWO WEEKS prior to a missed practice– forms submitted after this deadline will not be accepted for review. In addition, no practices can be missed within TWO weeks prior to an event.
- **Crossovers:** SBD will offer athletes the option to be considered for crossing over to another team. Not all athletes that would like to cross over will be selected as it is dependent on the needs of each team. Additional crossover fees will apply.
- **Fundraising Requirement:** To provide continuous improvements to our facilities (including upgrades, new equipment, guest coaches, etc.) SBD will host (1-2) **MANDATORY** fundraisers during the season. Families will have the option to participate in the fundraiser or opt-out and pay a flat fee.
 - Novice and Non Travel Athletes: \$50 per athlete
 - Travel Athletes: \$100 per athlete
- **Sibling Discount:** SBD offers a generous sibling discount as well as payment flexibility for those families with multiple athletes in competitive programs
- **Tuition Discount:** Families paying their tuition in full by June 1st, will receive (1) free month of tuition
- **Team Tumbling Practices:** New for the 2022-2023 season, SBD will be making our team tumbling practices through 9/5 as optional attendance. Following our Back to School Break, teams will be assigned a specific day and time for team tumbling and attendance will be required.
- **Competitions & Travel:** As part of our competition schedule, families are required to abide by specific travel days and times listed on the competition schedule. In addition some events will require specific travel requirements for participation
- **Payments:** On listed due dates your JackRabbit parent portal will be opened to make specified payment amounts. After 8:00 PM on due dates, accounts with outstanding balances will have card on file charged.
- **Drop Fee:** If an athlete or family voluntarily leaves the program for any reason prior to April 30, 2023 or season completion – whichever is later, they are subject to a contract buyout of \$350 within 3 days of the drop fee posting.

Note, this list of policies is not comprehensive and additional policies are documented in our 2022-2023 Commitment Packet. Families must agree to all program policies and financial obligations in order to participate.
